PM150ROS-BL SPARE PARTS LIST

No	Parts Name	Pcs	Seri No	INR	No	Parts Name	Pcs	Seri No	INR
1	Backing Pad				38	Screw			
2	Brake seal				39	Wool mat			
3	Shim				40	Cylinder sleeve			
4	Motor casing								
5	Spindle								
6	Washer								
7	Wool mat								
8	Retaining ring								
9	Double row bearing 5001 or 6001RS								
10	Balance weight								
11	Fan								
12	Bearing								
13	Bearing housing								
14	Rotor								
15	Stator								
16	Bearing								
17	Hall alignment ring with circuit board								
18	Magnet								
19	Start button kit								
20	Screw								
21	Cable plate								
22	Left housing								
23	Start button spring								
24	Screw								
25	Cover plate								
26	Square lens								
27	Main cable								
28	Speed controller								
29	Power set with capacitance								
30	Dust exhaust								
31	Right housing								
32	Screw								
33	Screw								
34	Wrench								
35	Adaptor								
36	Adaptor Dust pipe								
37	Washer
